

Management of protected volcanic areas

Scientific values of, and research in, protected volcanic areas

Communicating heritage values through education and interpretation

Geotourism as a factor of economic and community sustainable development in protected volcanic areas

Reminder of final date for registering and presenting abstracts for the **First International Congress on Management and Awareness in Protected Volcanic Landscapes (VOLCANDPARK)** to be held in Olot (Catalonia) on **21–25 May 2012**.

The proceedings of the Congress will centre on the following themes:

1. The management of protected volcanic landscapes;
2. Scientific values and research in protected volcanic landscapes;
3. The transmission of heritage values via education and interpretation;
4. Geotourism as a motor of sustainable economic development in communities in protected volcanic landscapes.

The Congress aims to promote interdisciplinary discussion forums in each of the four main thematic areas. Poster presentations and discussion forums will be given priority to avoid an excess of short presentations.

**The abstract presentation period** for those who wish to present an oral communication or poster **will close on January 30**. Abstracts for submission should be sent to [secretary@volcandpark1.com](mailto:secretary@volcandpark1.com) with “Comunicacions Volcandpark” in the subject line, along with the following information:

1. Title of the communication
2. Author: SURNAME, followed by first name
3. Institution the author represents
4. Name of the person who will present the communication
5. Type of presentation: only poster OR poster and oral communication
6. Contact information (e-mail and telephone)
7. Date of session the author wishes to contribute to
8. Text (maximum 300 words)

We would also like to remind you that participants can register for the Congress on-line at [www.volcandpark1.com](http://www.volcandpark1.com) and that **the period of reduced registration fees ends on March 20.**

Full details of the Volcandpark Congress (board and lodging, transport, programme, etc.) can be found at [www.volcandpark1.com](http://www.volcandpark1.com) and in the [most recent circular](#).

We look forward to meeting in Olot!
